

Instruction of Temporarily Home-Bound Students

Tutorial instruction in the home of a child who is physically incapacitated or ill shall be provided when no other provision would meet the child's educational needs. The amount of instruction provided shall be limited to that necessary for the student to maintain his/her normal rate of progress in the classes he/she is unable to attend.

The school administration shall determine the tutoring needs of the student.

Students who are out for an extended period of time please refer to Policy #6167, Section 504 of the Rehabilitation Act of 1973.
